G            C            G                            C            G    D7  
How many roads must a man walk down before you call him a man?  
          G            C            G            Em    G            C                    D7    D7  
Yes, and how many seas must a white dove sail, before she sleeps in the sand.  
          G            C            G                            C            D7    D7  
Yes, and how many times must the cannon balls fly before they're forever banned?  
          C                    D7            G                    Em

**Chorus:** *The answer, my friend, is blowin' in the wind*  
          Am            D7                    G    G  
*The answer is blowin' in the wind.*

G            C            G                            C            G    D7  
How many times must a man look up before he can see the sky?  
          G            C            G            Em    G            C                    D7    D7  
Yes, and how many ears must one many have, before he can hear people cry?  
          G            C            G                            C                    D7    D7  
Yes, and how many deaths will it take 'til he knows, that too many people have died?  
          C                    D7            G                    Em

**Chorus:** *The answer, my friend, is blowin' in the wind*  
          Am            D7                    G    G  
*The answer is blowin' in the wind.*

G            C            G                            C            G    D7  
How many years can a mountain exist, before it is washed to the sea?  
          G            C                    G    Em    G            C                    D7    D7  
Yes, and how many years can some people exist, before they're allowed to be free?  
          G            C            G                            C  
Yes, and how many times can a man turn his head, and pretend that he just doesn't  
D7    D7  
see?

          C                    D7            G                    Em  
**Chorus:** *The answer, my friend, is blowin' in the wind*  
          Am            D7                    G    G  
*The answer is blowin' in the wind.*  
          C                    D7            G                    Em  
*The answer, my friend, is blowin' in the wind*  
          Am            D7                    G    G↓  
*The answer is blowin' in the wind*
