          C                  G                  Am  
It ain't no use to sit and wonder why--babe  
F                                  C      G7  
...If you don't know by now  
          C                  G                  Am  
An' it ain't no use to sit and wonder why--babe  
D7                                  G      G7  
It'll ne--ver do somehow  
          C                                  C7  
When your rooster crows at the break of dawn  
F                                  D7  
...Look out your window and I'll be gone  
C                  G          Am      F  
You're the reason I'm trav'lin' on  
          C                  G          C      G7  
But don't think twice it's all right

          C                  G                  Am  
It ain't no use in turnin' on your light--babe  
          F                  G  
That light I never knowed  
          C                  G                  Am  
An' it ain't no use in turnin' on your light--babe  
D7                                  G      G7  
I'm on the dark side of the road

          C                                  C7  
Still I wish there was somethin' you would do or say  
          F                                  D7  
To try and make me change my mind and stay  
C          G                  Am      F  
We never did too much talkin' anyway  
          C                  G          C  
So don't think twice it's all right

**C** **G** **Am**  
It ain't no use in callin' out my name--gal  
**F** **C** **G**  
...Like you never did before  
**C** **G** **Am**  
It ain't no use in callin' out my name--gal  
**D7** **G** **G7**  
I can't hear you anymore

**C** **C7**  
I'm a-thinkin' and a-wond'rin' all the way down the road  
**F** **D7**  
I once loved a woman a child I'm told  
**C** **G** **Am** **F**  
I gave her my heart but she wanted my soul  
**C** **G** **C**  
But don't think twice it's all right

**C** **G** **Am**  
I'm walkin' down that long lonesome road--babe  
**F** **C** **G**  
...Where I'm bound I can't tell  
**C** **G** **Am**  
But goodbye's too good a word--gal  
**D7** **G** **G7**  
So I'll just say fare thee well

**C** **C7**  
Now, I ain't sayin' you treated me unkind  
**F** **D7**  
You could have done better but I don't mind  
**C** **G** **Am** **F**  
You just kinda wasted my precious time  
**C** **G** **C** **C**  
But don't think twice it's s all right.

**Outro:**

**C** **G** **C↓**  
Don't think twice it's s all right.
