1. A long time forgotten are dreams that just fell by the way
The good life he promised, ain't what she's living today
But she never complains of the bad times or bad things he's done
She just talks about the good times they've had, and all the good times to come

CHORUS:

She's a good-hearted woman in love with a good-timin' man
She loves him in spite of his ways that she don't understand
Through teardrops and laughter,
They'll pass through this world hand-in-hand
She's a good-hearted woman, loving her good timin' man

2. He likes the bright lights, the night life and good-timin' friends
When the party's all over she'll, welcome him back home again
Lord knows she don't understand him, but she does the best that she can
Cause she's a good-hearted woman, she loves her good timin' man

CHORUS:

She's a good-hearted woman in love with a good-timin' man
She loves him in spite of his ways that she don't understand
Through teardrops and laughter,
They'll pass through this world hand-in-hand
Cause she's a good-hearted woman, loving her good timin' man
