**Key:** G      **Start Note:** B      **Time:** 4/4      **Strum:** D \_ du D \_ du

**Intro:** G /// D7 /// G /// G ↓

1. N/C G

In the twilight glow I see her  
D7                              G      G  
Blue eyes cryin' in the rain

G //

As we kissed good-bye and parted  
D7                              G      G7  
I knew we'd never meet again

2. C    C

Love is like a dying ember  
G                              D7      D7 //  
Only memories remain  
G

And through the ages I'll remember  
D7                              G      G  
Blue eyes crying in the rain

3. G

Now my hair has turned to silver  
D7                              G      G  
All my life I've loved in vain

I can see her star in heaven  
D7                              G      G7  
Blue eyes crying in the rain

4. C

Someday when we meet up yonder  
G                              D7                      D7  
We'll stroll hand in hand again  
G  
In the land that knows no parting  
D7                              G                      G  
Blue eyes crying in the rain

D7                              G      G Arpeggio

**Outro:** Blue eyes crying in the rain
