1. I go out walking, after midnight, out in the moonlight, just like we used to do.
I'm always walking, after midnight, searching for you.

2. I walk for miles, a-long the highway, well that's just my way, of saying I love you,
I'm always walking, after midnight, searching for you.

CHORUS:

*I stopped to see a weeping willow, crying on his pillow,
Maybe he's crying for me.*

*And as the skies turn gloomy, night winds whisper to me,
I'm lone-some as I can be.*

3. I go out walking, after midnight, out in the starlight, just hoping you may be,
Some-where a-walking, after midnight, searching for me.

CHORUS:

*I stopped to see a weeping willow, crying on his pillow,
Maybe he's crying for me.*

*And as the skies turn gloomy, night winds whisper to me,
I'm lone-some as I can be.*
