Intro: C /// C ↓ (2,3)

1. You were the first thing that I thought of
When I thought I drank you off my mind
When I get lost in the liquor... you're the only one I find
And if I did the things I oughta... you still, would not be mine
I'll keep a tight grip on the bottle.....gettin' loose and killin' time

CHORUS:

This killin' time.... is killin' me
Drinking myself blind... thinkin' I won't see
Not if I cross that line..... and they bury me
Well I just might find I'll be killin' time for eternity

2. I don't know nothin' 'bout tomorrow...I've been lost in yesterday
I've spent all my life just dying...for a love that passed away
There's an end to all my sorrow....this is the only price I'll pay
I'll be a happy man when I go....and I can't wait another day

CHORUS:

This killin' time.... is killin' me
Drinking myself blind... thinkin' I won't see
Not if I cross that line..... and they bury me
Well I just might find I'll be killin' time for eternity

OUTRO:

Well I just might find I'll be killin' time for eternity
