**G** (from intro)    **D**                    **C**                    **D**

...It's late in the eve—ning    ....she's won-d'ring what clothes— to wear

**G**                    **D**                    **C**                    **D**

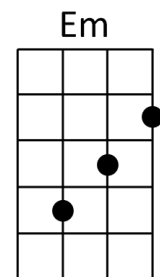

...She puts on her make-up    ....and brush-es her long— blonde hair

**C**                    **D**                    **G** / **Bm7** / **Em**

...And then she asks —me    “Do I look all right?”—

**C**                    **D**                    **G** (starts following line)

And I say, “Yes, you look won-der-ful —tonight”—

## Instrumental:

**G**                    **D**                    **C**                    **D**                    **G** (starts following line)

E-----3-----3 0-----3-----  
C-----  
G-----

**G**                    **D**                    **C**                    **D**

...We go to a par—ty    and ev'ry one turns —to see —

**G**                    **D**                    **C**                    **D**

...This beau ti-ful la—dy    ....who's walking a-round —with me—

**C**                    **D**                    **G** / **Bm7** / **Em**

...And then she asks—me    ..“Do you feel all right?”—

**C**                    **D**                    **G**                    **G7**

And I say, “Yes, I feel won-derf-ul— to-night”—

## Bridge:

**C**                    **D**                    **G** / **Bm7** / **Em**

*I feel won-der-ful be-cause I see -the love light —in your— eyes*

**C                      D                      C                      D**

**Then the won-der of it all —is that you just don't re-al-ize**  
**G** (starts following line)  
**...How much I love —you.**

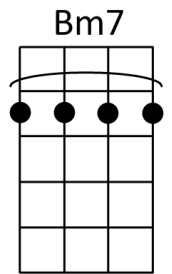

**Instrumental:**

**G                      D                      C                      D                      G** (starts following line)

 E-----3-----3 0-----3-----  
 C-----  
 G-----

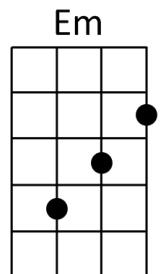

**G                      D                      C                      D**

...It's time to go home now                      ..and I've got an ach—ing head  
**G                      D                      C                      D**  
 ...So I give her the car keys...and she helps me to bed  
**C                      D                      G / Bm7 / Em**  
 ...And then I tell —her,                      as I turn out the light—

**C                      D                      G / Bm7 / Em**

I say, "My darling, you were won-der-ful — to-night"—  
**C                      D                      G**  
 "Oh, my dar-ling, you were won-der-ful — to-night"—
